

ODDS AND ENDS.

Melody of the mellow thief—"The
gwine away by de light ob de moon."

Said he, "Malinda, you are my dear-
est duck." Said she, "Joseph, you are
trying to stuff me." That was too sage
for him.

An old philosopher remarks: "It is
singular that everybody knows what
good counsel is except those who have
need of it."

A melancholy case of suicide a rough-
ly little boy, having been threatened
with a whipping, immediately hung his
head.

"BCHUPAIBA."—Quick, complete
cure, all annoying Kidney, Bladder and
Urinary Diseases.

A New Orleans paper says that dig-
nity kills a picnic. But there is little
chance for dignity with one of the party
trying to kick some red ants out of his
trousers' legs.

SKINNY MEN.—"Wells' Health
Renewer" restores health and vigor,
cures Dyspepsia, Impotence, Sexual
Debility.

A solemn old scientist printed the
fact that by bathing the feet in tepid
water a man could double his circula-
tion, and now all the editors are having
tanks fitted to their office stoves.

"ROUGH ON RATS."—Cleans out rats,
mice, roaches, flies, ants, bed-bugs,
skunks, chipmunks, gophers. 15c.
Druggists.

A young man having asked a girl if
he might go home with her from sing-
ing-class, and been refused, replied:
"You're as full of airs as a music box."
"Pardon me," she retorted, "but if I
am, I don't go with a crank."

The testimony of many who long suffered
from a health caused by an impure state of
the blood, prove that the best remedy
for making the blood rich, red and pure,
for restoring the general system, for curing
pimples and other skin diseases, for removing
aches, pains, stiffness, rheumatism, etc.,
for increasing the power of endurance, for
giving health and strength to every weak por-
tion of the body, is Dr. Cassell's Yellow Dock
and Sarsaparilla. Its effect pleases the user
in every instance. No other remedy equals
it.

A barefooted little boy stepped on a
bee, and soon after said to his mother,
"Ma, I didn't know that bees had splin-
ters in their tails!"

A Missionary just returned says he
regards *J. Cassell's Astringent* as
beyond all price, and efficacious beyond
any other medicine. It is adapted to
a great variety of special cases, and is
the best pain killer in the world.

A young lady residing in a border
town remarked in regard to her father's
snoring, that, "the neighbors all set
their washtubs out thinking a thunder
shower was coming."

"Middle measures are often but
muddling measures." There are no
"muddlings" about Kidney-Wort. It
is the most thoroughly refined "flower"
of medicine. It knows no half-way
measures, but radically uproots all dis-
eases of the kidneys, liver and bowels.
It overthrows piles, abolishes constipa-
tion and treats the system so gently and
soothingly as to prove its true kinship
to nature in all its phases. It is pre-
pared in both liquid and dry form.

The proper age—"At what age were
you married?" asked she, inquisitively.
But the other woman was equal to the
emergency, and quietly responded, "At
the parsonage."

*The great value of Mrs. Lydia E.
Pinkham's Vegetable Compound for all
diseases of women is demonstrated by
every day experience. The writer of
this had occasion to step into the prin-
cipal Pharmacy of a city of 140,000 in-
habitants, and on inquiry as to what
is the most popular proprietary medicine
of the time, was answered, that Mrs.
Pinkham's Vegetable Compound occupies
a most conspicuous place in the front
rank of all remedies of this class.
